

General Maintenance Person

Plumpton Racecourse are looking for an enthusiastic, General Maintenance Person to join the small but friendly racecourse team.

The successful candidate will need to have a flexible approach with a range of basic DIY skills to cover day to day maintenance including minor building repairs, painting, decorating and lifting and moving of tables and chairs. The role will also include mandatory record keeping of fire alarm/lighting and legionella testing, as well as out of hours key holder responsibilities.

A basic 37-hour week with hours flexible according to the operational needs of a race day or non-race day event, some early mornings, evenings, or weekend work will be necessary on occasions. Therefore, a willingness to work unsocial hours is required to meet the demands of the role.

Salary negotiable depending on experience and living arrangements, as on-site accommodation could be available as part of the package for the right person.

Please send a covering letter as to why you think you would be suitable for the role, together with your CV to mark@plumptonracecourse.co.uk or telephone Mark for further information on 07759 151617.
